***Join us in a community conversation with your neighbors and local experts.  
Together we'll explore the issues that impact our voting rights:***

- 1. Historical barriers to voting and how can we reach out to assist and encourage voting in disenfranchised communities***
- 2. Youth vote and engagement, including the dynamic Niko Battle as a speaker!***
- 3. Barriers to voting: gerrymandering, restoration post-incarceration, impact and importance of the census, etc.***
- 4. What we can do to get out the vote and increase access to the ballot box***
